## Our beloved letter carrier is set to retire after the Christmas rush

As much as we like seeing him in the park, I believe the distinct sound the Postal Vehicle makes gets most dogs excited because Joe always has a treat for them. When Joe retires it will be like losing a family member, but Joe's retirement is well deserved.

For years he drove everyday from Lompoc, leaving his home in the dark and returning well after sundown, especially during the Christmas rush. I hope the resident's here at San Vicente will remember and thank him in a card thanking him for his years of service.

**We will miss you Joe! Have a wonderful retirement, you deserve it!**

A few pictures of the event in October featuring Stanley's Shepherd's Pie. Many compliments on how wonderful the meal was. A good time was had by all. Hope to see you at an event soon.
